**Monday 28<sup>th</sup> September 2020** - Blazing Griffin, Glasgow based digital entertainment company, releases 'The Hammer and The Chain', the latest episode of Murder Mystery Machine; the 8-part detective game on Apple Arcade.

'The Hammer and The Chain' unlocks Nate as a playable detective to explore the case which saw his downfall in the DCA. Team up with Nate's original partner, Lou 'Lucky' LaPaglia, to solve the murder of a successful investment banker. The pair soon discover that when crime involves the rich and powerful, justice is rarely a straight line.

As the game heads to the finale, players witness the nature of crime and power in the city – and discover who has been pulling the strings.

The new episode includes:

- A new playable detective with a new detective partner
- Brand-new environments, including the investment bank and the repair shop
- Five new deduction mind-maps to solve

Murder Mystery Machine is only available on Apple Arcade via iPhone, iPad, Mac and Apple TV. Murder Mystery Machine gives the player the advantage of playing 8 episodes for the cost of US\$4.99 / £4.99 per month. For more detail visit: [Murder Mystery Machine and Apple Arcade](#).
